2022 ANNUAL REPORT

WITH A LITTLE HELP FROM OUR FRIENDS

MISSION STATEMENT

The Mary S. Roberts Pet Adoption Center strives to eliminate the suffering of homeless cats and dogs by providing humane care for pets in transition, facilitating adoptions to good homes, supporting pet overpopulation education, and supporting sterilization of companion animals.

EXECUTIVE DIRECTOR'S MESSAGE

It's the time of year when the calendar changes and we enjoy the sense of a new start.

At Mary S. Roberts Pet Adoption Center, we are beginning 2023 with renewed urgency and resolve. As you'll see in our Annual Report on page 4, our work continues to impact thousands of animals — and people. Demand for help from struggling pet guardians continued to grow in 2022, and thanks to our generous donors, we were able to promptly say yes and provide needed resources.

We were delighted to welcome guests back to our 2022 Walk with the Animals, and we hope to see new and returning friends and family (including dogs) to safely enjoy music, food, and fun at this year's event on April 29.

We are busy at work expanding our humane education, vaccine clinic, and other essential programs. Please read Champ's (page 3) story, which illustrates our commitment to providing second chances to all cats, dogs, puppies, and kittens who need assistance, even those who face extra challenges.

Please join us in our goal to reduce pet homelessness in the Greater Inland Empire. **Volunteer, foster, or become involved in our programs and events — together we can transform lives!**

With gratitude,

Carrie Ridgway
Executive Director

LOOKING FOR A CHAMP?

If you're ready to meet a true champion, we invite you to say "hello" to Champ. This little guy arrived at the Pet Adoption Center in November 2022. Since then, he's been showing off his abilities while unknowingly spreading a message of hope, perseverance, acceptance, and determination.

Champ was born with cerebellar hypoplasia and hydrocephalus, causing him to wobble when he walks and requiring assistance and special care. However, Champ doesn't let that deter him; he's always up for a jaunt outside, especially if there are treats involved.

While in our care, we make sure Champ gets lots of attention and has daily opportunities to practice his walking skills on flat grass or other soft surfaces. This will need to continue with his adopter to help him to maintain the strength in his hind legs.

Other than requiring assistance with walking practice and some help during mealtimes, Champ isn't much different from any other dog. While his mind and body are not quite like other pets you may have met, Champ is unaware of these differences and doesn't let them stop him from being a bouncy, happy, young dog.

At almost two years old, Champ is still learning about all the fun things available for him to experience. He wishes for someone to be a part of his next chapter, one in which he is assisted, empowered, and challenged to be the best boy he can be.

Champ is looking for a foster or adopter! **If you're interested in helping this special dog by fostering him for a little while or would like to adopt, please email fostercare@petsadoption.org.**
